A church that does not provoke any crisis, preach a gospel that does not unsettle, proclaim a word of God that does not get under anyone's skin or a word of God that does not touch the real sin of the society in which it is being proclaimed: what kind of gospel is that?"

BURGHILL GROUP OF PARISHES

Epiphany 5

Collect,

O God, you know us to be set
in the midst of so many and great dangers,
that by reason of the frailty of our nature
we cannot always stand upright:
grant to us such strength and protection
as may support us in all dangers
and carry us through all temptations;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever. **Amen**

Post Communion Collect

Go before us, Lord, in all we do
with your most gracious favour,
and guide us with your continual help,
that in all our works begun, continued and ended in you,
we may glorify your holy name,
and finally by your mercy receive everlasting life;
through Jesus Christ our Lord. **Amen**

PARISH GIVING SCHEME

A better way to encourage giving in your church

The Parish Giving Scheme (PGS) is a direct-debit system originally developed by the Diocese of Gloucester to provide a professional, effective donation management system to support parishes in funding their mission and ministry.

The Parish Giving Scheme has attracted considerable interest from around the Church and has been adopted as the preferred way of giving by the National Stewardship Committee. The PGS is a charitable company owned by participating Dioceses.

It is anticipated that in the next few years more than half of dioceses will be using the scheme. It could be processing annual donations of over £50 million, from around 70,000 donors, and claiming more than £10 million each year in Gift Aid. Please see Ross or Bob after the service for further information and a Parish Giving Form if you would like to sign up.
